

Physical Education and Sports Premium 2018/2019 Report

Priorities:

- Improve the teaching and learning of P.E through targeted CPD for all teaching staff
- To implement the West Lancashire objectives within our assessment, planning and tracking of PE.
- To wider the children's experience with different sports
- To provide an extensive range of sports to all year groups

For the academic year 2018/19 we received £17,635 Sports Premium money. This money was spent in a sustainable way to ensure we met our objectives for the academic year.

Provide CPD for staff to ensure high quality teaching is taking place.

Miss Newby started working with teachers in September. She taught in all year groups across the year and the staff all had opportunities for CPD with her. She also delivered high quality PE lessons to the children across the year as well as a Morning, lunchtime and afterschool club. As the year progressed we identified a teacher who has a PE and sport background and next year she will be the PE coordinator and deliver PE lessons every afternoon as well as CPD.

To implement the West Lancashire objectives within our assessment, planning and tracking of PE.

Miss Newby alongside our staff members, have adapted a new assessment and tracking system. This has been adapted further ready for the 2019/20 year in line with the changes to Otrack.

To wider the children's experience with different sports competitively as well as in school.

We have achieved the Gold award for sport this year.

Sports in school or played competitively through the ST Helens sports development as: Football, rugby, high 5, hockey, archery, rock climbing, fencing, yoga, swimming, athletics, indoor athletics, bench ball, basketball, Boccia, rounders, cricket, cheerleading and quad kids. We use our sports premium to

fund transport to and from these events or pay for external agencies to come in and deliver them.

We offered a range of sports clubs throughout the year:

Dance, Football, Tag rugby, Gymnastics, Multi skills, Athletics, cheerleading, dodgeball, fun fitness and indoor athletics.

We have purchased new equipment this year to further enhance the teaching of P.E within school.

To promote positive attitudes towards P.E by making it inclusive and promoting a healthy life styles.

- Dinner time play leaders made an order of new equipment to try and encourage children to come and be physical at dinner times.
- SEN children were included in competitions
- Healthy school dinners
- Daily mile
- Sport leaders
- Health and wellbeing week
- Competitive sports

21/22 (96%) children in Year 6 (academic year 2018-2019) successfully completed their 25m standard.

Priorities for 2019/2020

- Ensure all pupils have the opportunity to access 2 hours of PE and extra-curricular activity per week
- Further increased participation in extra-curricular activity
- Achieve at least gold for sport
- Significantly increase the number of children accessing competitive sport (introducing intra-school competitions 3 times a year, entering more inter school comps, entering b and c teams)
- Ensure all children access a broad range of topics in PE (long term plan)
- Improve achievement in PE (assessments done every half term - impact reports to show & working at each level) Staff to increase knowledge

and confidence in delivering PE (staff involved in planning, delivery and assessment).
