

MERTON BANK PRIMARY SCHOOL NEWSLETTER

Week Beginning 8th March 2021

The vast majority of our children arrive in school on time but recently there have been more children who are arriving late. Please remember school starts at 8.45am. Your children are missing valuable learning time if they arrive late to school. Please work with us and get your children into school on time.

Dear Parents / Guardians,

What a busy week it has been welcoming back the children to school. Although they have been tired I think they have all loved being back spending time with their friends and teachers.

I want to again thank you for your support with our one way system and other COVID rules. By following these we will be in a better place to ensure bubbles are not closed.

I do need to clarify that we cannot let children go home with various adults. If you cannot pick up you need to nominate one other person and stick to that person. Children, despite being in class with each other, are not allowed to be going to each others houses to play. Parr and Fingerpost currently has the highest infection rate in St Helens which has one the highest COVID rates in the country. Please help us and our community.

Thank you for your anticapted support

Have a lovely weekend and stay safe

Best Wishes,

Mr M Griffiths

Free breakfast club

Don't forget to use our free breakfast club for anyone from Reception to year 6.

Take advantage of this and get your children into school. We are one of the only primary schools in the area who offer this to EVERY child in these year groups. This begins at 8.00am. Staff may not always be available before this time so please be patient.

Merton Bank Market

We have a mini market that is full of food. If you are short of food as you may be waiting to be paid after a long month, please don't hesitate to contact Mr Griffiths to use our market. It is private and is available for all our families.

Online parents evening

Please ensure you have signed onto Teams so we can send you your invite for parents evening. If you have misplaced the code we can send it to you again. This will be the only way for parents evening to take place.

Parent app

Don't forget this is how we communicate. Please download the app. **Some parents still haven't and are missing out on vital information.**

We are going paperless as a school and have a responsibility to the environment as well as trying to save money by not photocopying and the amount of paper we use. The less printing we do the more money we save and the positive impact we will have on the environment.

PLEASE DOWNLOAD THE APP
